

BACK IN TIME

Gillian Welch

[C] Standing on the corner with a nickel or a [F] dime
There use to be a [C] rail car to take you down the [Am] line
[C] Too much beer and whiskey to ever be em[F]-ployed
And when I got to [C] Nashville, it was too much soldier's [Am] joy
[C] Wasted on the wayside, wasted on the [F] way
If I don't go to[C]-morrow, you know I'm gone to[Am]-day

[C] Back baby, back in [F] time
I wanna go [C] back when you were [Am] mine
[C] Back baby, back in [F] time
I wanna go [C] back when you were [Am] mine

[Em] Black highway all night [F] ride
Watching the [Am] times [G] fall away to the [F] side
[Em] Clear channel way down [F] low
Is comin' in [Am] loud, [G] and my mind let [F] go

[C] Peaches in the summertime, apples in the [F] fall
If I can't have you [C] all the time, I won't have none at [Am] all
Oh, I [C] wish I was in Frisco in a brand new pair of [F] shoes
I'm sittin' here in [C] Nashville with Norman's Nashville [Am] blues
So [C] come all you good time rounders listenin' to my [F] sound
And then drink a round to [C] Nashville 'fore they tear it [Am] down

[C] Back baby, back in [F] time
I wanna go [C] back when you were [Am] mine
[C] Back baby, back in [F] time
I wanna go [C] back when you were [Am] mine

[Em] Hard weather, drivin' [F] slow
Buggies and the [Am] hats [G] in town for the [F] show
[Em] Oh darlin, the songs they [F] played
All I got [Am] left [G] is the love [F] we made

[C] Back baby, back in [F] time
I wanna go [C] back when you were [Am] mine
[C] Back baby, back in [F] time
I wanna go [C] back when you were [Am] mine
